any State grange may require such reports and payments to be made through the secretaries of the county granges.

Nothing is so discouraging to a young lawyer just as he waxes eloquent about angel's tears, weeping willows and tombations, and article 7, section 3, of the stones, as to be interrupted by the cold-stones, as to be interrupted by the cold-stones.

An excharge says " the Sandwich Islanders believe that Beelzebub walks the earth in the form of a woman." And now and then you will find a man in this country who believes so, too, and that he has

married the woman. - Courier-Journal. A Chicago chemist, owing to the non-payment of his fee, refuses to return the stomach of a dead man sent to him for analysis. Although the chemist has now two stomachs. he doesn't appear to have bowels—of compassion. — Norristown

Herald. Henry Ward Beecher was introduced to a Shaker at the White Mountains the other day, and said to him: "I underthe granges as distinct and substantive spositions; that the master of each State inge be instructed to submit the product amendments to his State grange at next session thereof for ratification of the pleasures of this life," whereupon the other replied, "It shields us from some of its temptations, also."

A little girl went into a neighbor's 200 Setts Premium Plew Hart Respectfully submitted.

Section 1. The effect of this will be to restore past masters of subordinate granges, and their wives who are matrons, to honorary membership in the State grange, eligible to office, but not entitled to vote.

A little girl went into a neighbor's to house one day, where some apple-parings lay on a plate on the table. After sitting a while she said, "I smell apples."

"Yes," the lady replied, "I guess you smell these apple parings on the plate."

"No, no, said she, "tain't them I smell; I smell whole apples."

The Weekly Clarion.

2. The effect of this will be to have the wives of delegates to the State grangs, if matrons, voting members of that body.

3. The effect of this will be that substituted the other plains are sent of Cheyenne, while the other passengers were taking their meal, we strayed away to breathe the invigorating air, and were attracted by a common housekeeping arrangement not far from our train. The 4. The effect of this will be to restore horse and cow were grazing at a little 4. The effect of this will be to restore past masters and their wives to honorary membership in the National Grange, eligible to office, but not to vote. Also prevents officers of the National Grange from voting, unless they are masters of State granges, or wives of masters of State granges. It also restores all former member of the National Grange to honorary membership, eligible to office, but not entitled to vote.

The effect of this will be to require the case and cow were grazing at a little distance from the empty wagon, from which the top had been removed and converted into a house. Upon a miniature cooking stove the lady of the mansion, a rosy-cheeked young woman, was preparing the dimner, while the husband was engaged in an employment, the practice of which would not have suggested itself to us—beating into first slabe the tin cans that he had picked up on his journey. These, he said, were for the purpose of 5. The effect of this will be to require These, he said, were for the purpose of

GRANGE DEPARTMENT.

Grange.

6. The effect of this will be to require the district or county granges to hold their elections annually at such time as they may determine.

Grange.

The effect of this will be to require there. I suppose we must stop somewhere by and by, but the farther we go the less we want to go. I like to keep going this they may determine.

The effect of this would be that the way; my wife likes it, and the baby in 7. The effect of this would be that the there seems to like it, for she grows like ments to the constitution of the National would be two years instead of three years, ways have plenty to eat, and so we don't Granges for submission to the State Granges for their ratification or rejection. Proposed at the ninth annual session of the National Grange to meet biennially intended of annually, if they so determine.

1. Amend the preamble, under the head of 'State Grange,' by substituting the following for section 1.

2. Amend the preamble, under the head of 'State Grange,' by substituting the following for section 1.

3. The effect of this would be to allow the National Grange to meet biennially intended of they so determine.

4. Amend the preamble, under the head of 'State Grange,' by substituting the following for section 1.

4. Amend the preamble, under the head of 'State Grange,' by substituting the following for section 1.

5. The effect of this would be to allow the National Grange to meet biennially intended of they so determine.

6. The effect of this would be to allow the National Grange to meet biennially intended of annually, if they so determine.

6. The effect of this is too obvious to need explanation. It is simply allowing the following for section 1.

The effect of this would be to allow the use of stopping. One of these days, I suppose, we shall get to the Pacific, and then we shall be obliged to stop. In the meantime, if we strike a good place, we may build a house to live in for a spell, but for the present we are well enough off. — [Letter in the New York Evening Post.]

The effect of this would be to allow the use of stopping. One of these days, I suppose, we shall get to the Pacific, and then we shall be obliged to stop. In the meantime, if we strike a good place, we may build a house to live in for a spell, but for the present we are well enough off. — [Letter in the New York Evening Post.]
